Exercise Compare All Methods

Hendrik Reich, DWD

Daniel Leuenberger, MeteoSwiss

Michael Würsch, LMU München

DWD-HErZ winterschool on data assimilation

13-17. February 2012, DWD, Offenbach

Ex 1: Compare all Methods

- Set the default options for the simulation with
  `opt = getoptions`

- Select the methods you like to compare with
  `opt.which`

- Vary the parameters you are interested in, like in the exercises before and run the simulations with
  `run95(500,opt);`
